Deb, Jackson and I had wanted to get together for some time to write a song and today was the day. we opened with prayer. We then started talking about our daily life and struggles. We are just little parts of Gods big puzzle. Even though we think our life is the BIG picture, we are just a little part of Gods plan. Yes we will have frustrating days, days when things don't go well or things we don't understand, but God knows all of this and is working in our best interest for his glory.

Ephesians 5:14 (TLB)

14 That is why God says in the Scriptures, "Awake, O sleeper, and rise up from the dead; and Christ shall give you light."

Ephesians 1:8 (TLB)

8 and he has showered down upon us the richness of his grace—for how well he understands us and knows what is best for us at all times.

Matthew 8:25-27 (TLB)

25 The disciples went to him and wakened him, shouting, "Lord, save us! We're sinking!"

26 But Jesus answered, "O you men of little faith! Why are you so frightened?" Then he stood up and rebuked the wind and waves, and the storm subsided and all was calm.

27 The disciples just sat there, awed! "Who is this," they asked themselves, "that even the winds and the sea obey him?"

We had a nice time writing this song that was given to us from the Lord and we pray that it will be a reminder to wake up. God wants to put some of His loving light on you.
