As I sat at the table preparing to pray and play, I kept thinking to myself, I hope that the Lord would send some rain for our plants and animals. We only had about 2 weeks of spring this year. Everything is crunchy and dry and unhealthy looking.

I prayed and prayed for what seemed like some time. Then I started to write this song of request to the Lord. And you know, it started to rain.

Thank you Lord. !

Genesis 2:4-6 (NIV)

⁴

This is the account of the heavens and the earth when they were created. When the LORD God made the earth and the heavens--

⁵ and no shrub of the field had yet appeared on the earth and no plant of the field had yet sprung up, for the LORD God had not sent rain on the earth and there was no man to work the ground,

⁶ but streams came up from the earth and watered the whole surface of the ground--

Genesis 27:27-28 (TLB)

²⁷ *Isaac*: "The smell of my son is the good smell of the earth and fields that Jehovah has blessed.

²⁸ May God always give you plenty of rain for your crops, and good harvests and grapes.

Deuteronomy 11:16-17 (TLB)

¹⁶ "But beware that your hearts do not turn from God to worship other gods.

¹⁷ For if you do, the anger of the Lord will be hot against you, and he will shut the heavens—there will be no rain and no harvest, and you will quickly perish from the good land the Lord has given you.
