I had just dropped Jim off to Michaels where he worked.

As I was praying for our city and people that live in our city, I noticed how badly and almost meanly folks were driving. The day before everyone seemed to drive so nicely. Then as I am driving home, all the words just popped out of my mind. So when I got home I wrote them down, then I had to get my choirs done and other errors for eh week, since Jim and I share a van and he needed the van after he got off of work the words were written down in the morning.

Then after I got home and Jim left, I was able to finish the song and add the chords and write it up in the computer. I did not find a nice beginning with the chords or ending. So when Roberto and I got together on Sunday we finished the song up and added the opening and closing chords and interlude.

God was really working with Roberto and I, after we finished this song. God gave Roberto some chord sets that sounded real nice and we wrote a praise and worship hymn type song to the Lord.

Romans 5:15-16 (TLB)

¹⁵ And what a difference between man's sin and God's forgiveness! For this one man, Adam, brought death to many through his *sin*. But this one man, Jesus Christ, brought forgiveness to many through God's *mercy*.

¹⁶ Adam's *one* sin brought the penalty of death to many, while Christ freely takes away *many* sins and gives glorious life instead.

Romans 5:21 (TLB)

²¹ Before, sin ruled over all men and brought them to death, but now God's kindness rules instead, giving us right standing with God and resulting in eternal life through Jesus Christ our Lord.
