

# Do We Give Him Thanks?

Cheryl Anne Day-Swallow July 4th, 2013 10:00/10:20

Based on our study of the book called  
Transforming Prayer  
by Daniel Henderson

God's face is the essence of who He is. God's face represents  
His person and presence.  
May we always remember  
who God is.

## **Do We Give Him Thanks?**

Tonight, as I sat quietly at home, I wondered with all the excitement, did anyone remember to give God thanks during this 4th of July holiday. Fire works where going off, t.v. showed lots of folks having fun and acting all goofy/excited.

I feel like we should reflect and thank the Lord more and praise Him for all the things as Americans that we have that we take for granted.

I am so thankful for living here. I appreciate having a home, trees, clean water, a van to get around to see friends or get supplies for our daily life. We are so blessed, we don't even see it.

God forgive me if I am not thankful enough, for all that you have done for me and my family.
