Working on this song for class.

Motives is the study at this time. For me this is a new technique, I am trying to keep an mind open.

This is from Motive I. Wav 00

I am building my song based on my Motive. My personal motive this year is to be Thankful for all the Lord has done for me. I have a calendar to write down one thing each day to be thankful for. Today's Thankfulness will be for my teacher Jamie Hughs sharing her techniques of song writing.
