This week in class we are being asked to write a song using a groove.

Then we were asked to choose a key or color of the song.

I wanted my song to be encouraging, so I choose Major Key of C.

I used a capo to match my voice in a range I could sing.

---

The song I used for my groove was ...

Give me your Eyes by Brandon Heath

The song lyrics are written based on Isaiah 45:3

I will give you the treasure of darkness and hidden riches of secret places,  
that you may know that I, the Lord, who call you by your name, am the God of Israel.

---

With the world the way it is, we are going to have trouble.

However, each person can make a difference in the world, just by being kind, loving,  
considerate and compassionate.

For you see, God made you for this very purpose. To love one another.

First commandment to the world from God.

You are the Treasure in the Darkness.
