Went to Terry's to record, however, his new equipment was not playing well with each other. So we decided to write a new song. I opened up his bible that was on the new shelf unit and we read Romans 8. Then Terry started talking about the world, men having difficult time in this world. So this is the new song we came up with concerning the difficult struggle men have in today's world. And of course nothing is new, so this cycle of life/ working hard for things will always apply until the Lord returns.

Romans 8:1-6 (TLB)

¹So there is now no condemnation awaiting those who belong to Christ Jesus. ²For the power of the life-giving Spirit—and this power is mine through Christ Jesus—has freed me from the vicious circle of sin and death. ³We aren't saved from sin's grasp by knowing the commandments of God because we can't and don't keep them, but God put into effect a different plan to save us. He sent his own Son in a human body like ours—except that ours are sinful—and destroyed sin's control over us by giving himself as a sacrifice for our sins. ⁴So now we can obey God's laws if we follow after the Holy Spirit and no longer obey the old evil nature within us. ⁵Those who let themselves be controlled by their lower natures live only to please themselves, but those who follow after the Holy Spirit find themselves doing those things that please God. ⁶Following after the Holy Spirit leads to life and peace, but following after the old nature leads to death
