Psalm 9 6-9 worship the Lord with the beauty of Holy Life Zebra Guitar

In the van going to see Murray Diner

I had lost the words and found them November 30th, 2019 in a notebook.

This song was written in our van. While Jim was driving us to go see our friend Murray Diner. After his stroke. It was on the most bumpiest road in the whole world in S Carolina. It hurt just to hang on to the bed so I would not fall off the chair I was sitting on in the back of the van.

I put the wav file in order. However I had lost the music lyrics I had written and found them November 30th 2019 in a notebook. So typed up the words on that night. Jim was working on FLAG website, Conrad just left with a Christmas present from him and Mom, facet for kitchen. Jim is still working its 6:30 pm. He has been at it since 9:00 am this morning. Not fun for him. I am catching up on music for this year. Just finished up Glorious God that Jackson and I wrote. We had fun with our songs this year. Thank you Lord.
