I saw Jackson yesterday as he picked up the video cameras and tripods for Central church so he could record for this weeks service. We talked for a while and I asked him if he knew what Pastor Rich's new sermon series would be. He thought it was Romans 8. So that night while Jim was on zoom with the men's meeting, I went in the other room and read Romans 8. Nothing spoke to me out of the norm. Then that night I could not sleep good my back was having server spasms, so I got up puts around for a while and then thought hey I'm up I should spend more time with the Lord, so let me sing, so I sang and practiced songs for a couple hours than then I thought maybe I could write a song based on Romans before Pastor talks on it. Usually I write songs after a message. Bu t I am open to adventure. LOL. SO I wrote this song based on a message that is coming up. It will be interesting to see Pastor Rich's interoperations of Romans 9 1-4 vs. what I got out of Romans 8 1-4

I used a recording I had saved under not complete yet for the chorus. Which was recorded on, 4/17/2020

Romans 8:1-6 (TLB)

¹ So there is now no condemnation awaiting those who belong to Christ Jesus.

² For the power of the life-giving Spirit—and this power is mine through Christ Jesus—has freed me from the vicious circle of sin and death.

³ We aren't saved from sin's grasp by knowing the commandments of God because we can't and don't keep them, but God put into effect a different plan to save us. He sent his own Son in a human body like ours—except that ours are sinful—and destroyed sin's control over us by giving himself as a sacrifice for our sins.

⁴ So now we can obey God's laws if we follow after the Holy Spirit and no longer obey the old evil nature within us.

⁵ Those who let themselves be controlled by their lower natures live only to please themselves, but those who follow after the Holy Spirit find themselves doing those things that please God.

⁶ Following after the Holy Spirit leads to life and peace, but following after the old nature leads to death
