So much stupid things going on in this world. To many people fighting with people protesting, a bad person killed by a bad cop, then bad people doing bad things and justifying that they deserve what ever they can get? Protesters burning, killing and blocking traffic, they are no better than the bad people that started this. The bad persons family will be getting lots of money, but the good police that are protecting people die and are not even mentioned on the news. All this during health pandemic and soon an economical collapse. But no surprise, God warns us in HIS word, that right would seem wrong and wrong would seem right. People are no longer listening to God, they are doing what they want. Sinning and then using another person or event to justify their actions? We are no different now then when Jesus was alive. Nothing is new. God died for everyone because everyone does matter, but acting stupid and demanding and stealing or hurting people is not the right way to say your life matters. Living a Godly life does. Sorta still on the same verse of Romans 8. Sin/vs/ God. What will you choose.?

Romans 8:1-6 (TLB)

¹ So there is now no condemnation awaiting those who belong to Christ Jesus.

² For the power of the life-giving Spirit—and this power is mine through Christ Jesus—has freed me from the vicious circle of sin and death.

³ We aren't saved from sin's grasp by knowing the commandments of God because we can't and don't keep them, but God put into effect a different plan to save us. He sent his own Son in a human body like ours—except that ours are sinful—and destroyed sin's control over us by giving himself as a sacrifice for our sins.

⁴ So now we can obey God's laws if we follow after the Holy Spirit and no longer obey the old evil nature within us.

⁵ Those who let themselves be controlled by their lower natures live only to please themselves, but those who follow after the Holy Spirit find themselves doing those things that please God.

⁶ Following after the Holy Spirit leads to life and peace, but following after the old nature leads to death
