After prayer we went over Glorious Love to be sure I typed up the music correctly. After we got that done, we still had an hour left to have fun. So I asked Jackson if we could pick numbers out to pick our progressions. represent 1~7. We wanted to stretch ourselves to see what we could come up with. LOL. I thought it would be fun. We choose key of D

As is studied on my own I was looking for people in the bible who also struggled with life situations'. After all, there is nothing truly new on this earth we live in. this is what I found.

Then years latter I found our song in an enamel folder? Of all places so we finished up February 2nd 2022. God has a plan for this song and a person that needs the song. It will be interesting to see who God is trying to reach during this difficult time. Covid, strife and just people not being Christ centered.

Daniel 10:8-9 (NIV)

- ⁸ So I was left <u>alone</u>, gazing at this great vision; I had no strength left, my face turned deathly pale and I was helpless.
- ⁹ Then I heard him speaking, and as I listened to him, I fell into a deep sleep, my face to the ground.

Psalm 10:14 (NKJV)

14 But You have seen, for You observe trouble and grief, To repay it by Your hand. The helpless commits himself to You; You are the helper of the fatherless.

Daniel 10:12 (NIV)

¹² Then he continued, "Do not be <u>afraid</u>, Daniel. Since the first day that you set your mind to gain understanding and to humble yourself before your God, your words were heard, and I have come in response to them.
