Funny I did not write in this area back in 2020, but I was inspired by Jacksons prayer from Peter.

This was back in 2020.

Then 2 years later I finished this song after prayer on Friday February 4th, 2022.

Then February 6th, 2022 Pastor Rich is talking about Peter and things he endured and what we should do when we go through the same types of things.

AND then I stated to practice my songs after church trying to build up my hand/mind memory and noticed that all the things

1. Jackson prayers
2. The song God gave me to write
3. & Pastor Rich's message all went together.

When GOD is in charge in your life and your mind is open, there is no telling what secrets God will show you. All to be used for His glory. Just goes to prove we are better as a group. Stay in the group.
