Randy and I have not been able to practice or finish up our last song. There is so much going on at Randy's house hold right now its like a bad movie. So we prayed extra this morning for peace and protection on his house hold. We decide not to work on We Are His Chosen Ones this week but to write a song that might encourage other family's that are facing life changing and serious family matters. It is sad to see so many of my friends struggling, do to not fault of there own. God sees this and watches over everything.

We read Jesus Calling for April 26th, and the bible verses were

2 Corinthians 4:16-18 (TLB)

16 That is why we never give up. Though our bodies are dying, our inner strength in the Lord is growing every day. 17 These troubles and sufferings of ours are, after all, quite small and won't last very long. Yet this short time of distress will result in God's richest blessing upon us forever and ever!

18 So we do not look at what we can see right now, the troubles all around us, but we look forward to the joys in heaven which we have not yet seen. The troubles will soon be over, but the joys to come will last forever.

And

Psalms 89:15-18 (TLB)

15 Blessed are those who hear the joyful blast of the trumpet, for they shall walk in the light of your presence. 16 They rejoice all day long in your wonderful reputation and in your perfect righteousness. 17 You are their strength. What glory! Our power is based on your favor! 18 Yes, our protection is from the Lord himself and he, the Holy One of Israel, has given us our king.

Which should give us all some comfort in knowing that our problems, concerns and worries are short term and all of what we go through good or bad is for the Lord. But most of all remember, HE's got you. So don't be afraid. We know this is easier said than done, but the alternative is well not so good. So please hang in there and keep walking in the Light of the Lord.
