Today I had the pleasure to write with Payton Montague for the first time. Our mutual friend Thomas from Guitar League suggested I call him. So I did and today was fun day.

Payton and I prayed up. Then he thumbed threw bible. We read Luke 3, this brought to mind what Payton was dealing with family negativity and lack of God in their homes/life's. So we wrote down these life struggles and earthly things that need God to intervene. But we are God's Agents, so we should be doing our part.

We focused on

1. Problem/concern = don't complain do something about it.
2. Negative/energy = solid ground is Christ not this world or sin
3. What is the out come now and in the future?

We choose key of F for Fine Friday.

Some verses to ponder on as you become the Agent God wants you to be.

Romans 12:2 (NKJV)

2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

Colossians 3:12 (TLB)

12 Since you have been chosen by God who has given you this new kind of life, and because of his deep love and concern for you, you should practice tenderhearted mercy and kindness to others. Don't worry about making a good impression on them, but be ready to suffer quietly and patiently.

Matthew 7:24 (TLB)

24 "All who listen to my instructions and follow them are wise, like a man who builds his house on solid rock.

Genesis 17:7-8 (TLB)

7 And I will continue this agreement between us generation after generation, forever, for it shall be between me and your children as well.

8 It is a contract that I shall be your God and the God of your posterity. And I will give all this land of Canaan to you and them, forever. And I will be your God.

Exodus 3:15 (NIV)

15 God also said to Moses, "Say to the Israelites, 'The LORD, the God of your fathers--the God of Abraham, the God of Isaac and the God of Jacob--has sent me to you.' This is my name forever, the name by which I am to be remembered from generation to generation.
