This week was such a week. Everything I did to try to accomplish my music goals fought me. No reason for it either. Miss lead from several large companies. Sad part is one of the companies regulates music. What was advertised, well its not the truth. Then I worked with credit card company and they gave me excuses of why they could not help me. Then another other music company told me I could do something if I paid more money, but when I went to do it, well that was not the case. Lied to again. And of course we live in 2025. Were many companies have NO phone numbers, which should be a warning to everyone not to use them. I also was discriminated and left out of some processes in the music industry because I don't own a cell phone. Very tearful week. Its like NO ONE CARES.

Its to late our country is falling part, past the stage of saving. They only care about themselves, which makes sensitive people like me, well fell crushed & defeated. Companies blame the government, but really and truly its just human greed. Each of us is to blame. However, I have to pull myself together. I have to remind myself as I go threw these spiritual battles that... God is on our side.

Psalm 118:6: "The LORD is on my side; I will not fear.  
What can man do to me?"

Psalm 56: 1-11  
Be merciful to me, my God,  
for my enemies are in hot pursuit;  
all day long they press their attack. My adversaries pursue me all day long;  
in their pride many are attacking me. When I am afraid, I put my trust in you.  
In God, whose word I praise in God I trust and am not afraid.  
What can mere mortals do to me?

All day long they twist my words; all their schemes are for my ruin.  
They conspire, they lurk, they watch my steps,  
hoping to take my life.

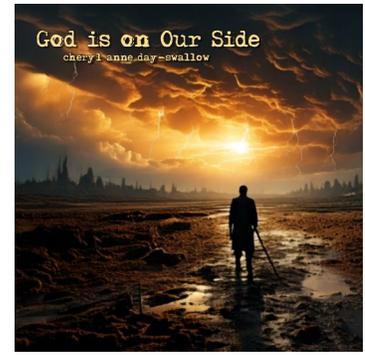

Because of their wickedness do not let them escape;  
in your anger, God, bring the nations down.  
Record my misery; list my tears on your scroll are they not in your record?

Then my enemies will turn back when I call for help.  
By this I will know that God is for me.  
In God, whose word I praise, in the Lord, whose word I praise  
in God I trust and am not afraid.  
What can man do to me?

I am under vows to you, my God; I will present my thank offerings to you.  
For you have delivered me from death and my feet from stumbling,  
that I may walk before God in the light of life.

## [Verse 1]

Its difficult to pay the bills,  
we are crushed by the weight,  
Numbers rising high, it's a terrible fate.  
Wages keep diminishing,  
prices are on the rise,  
Trying to find our balance,  
while fighting through all the lies.  
The world is screaming louder,  
bursting out at its seams,  
Whispers of distractions  
tearing apart all of our dreams.

## [Chorus]

We are determined  
to stay focused on what is pure and good,  
In a world so dark and dim,  
let's rise up like we should.  
Don't repay evil for evil,  
it's a dangerous game,  
Keep your spirit alive,  
ignite that eternal flame.  
God is on our side.

## [Verse 2]

We're struggling with the worldly lies,  
Everyone is twisting the truth, hiding in disguise.  
Playing their money games,  
they want to see us fall,  
But we'll break through the shackles,  
standing proud and tall.  
Resilience in our bones,  
We'll rise above the sin  
In this cruel game called life,  
God will help us win.

## [Chorus]

We are determined  
to stay focused on what is pure and good,  
In a world so dark and dim,  
let's rise up like we should.  
Don't repay evil for evil,  
it's a dangerous game,  
Keep your spirit alive,  
ignite that eternal flame.  
God is on our side.

## [Bridge]

Life's trials and tribulations,  
they throw us to the ground,  
But we'll rise like a phoenix,  
taking back what was found.  
Heart beating strong,  
like a drum in the night,  
Shouting out the truth,  
We will stand, We will fight.  
Torn by the struggles,  
We won't be defined,  
We'll carve out our path,  
leaving shadows far behind.

## [Chorus]

We are determined  
to stay focused on what is pure and good,  
In a world so dark and dim,  
let's rise up like we should.  
Don't repay evil for evil,  
it's a dangerous game,  
Keep your spirit alive,  
ignite that eternal flame.  
God is on our side.

## [Outro]

When it comes to honesty,  
is there anyone that still cares?  
In a world full of masks,  
the truth will soon be laid bare,  
We'll stand for what is right,  
We will not fall down in despair,  
For through all the struggles,  
We know that love is there.
