

# While I'm Waiting

The more I write my music the more I am getting attacked by the bad one, but to bad. I am not going to give up. this was one of my first songs written in July, but I had to rework the words and rewrite many times before I found the perfect match.

If I keep waiting on the Lord, I am sure the perfect house/match will be relieved to me. but for now, so many questions so little answers. However, my attitude needs to stay in check. To keep focused on good and helping others, while I'm waiting.

Psalm 40:1 reads: "I waited patiently for the Lord; he inclined to me and heard my cry"

Isaiah 40:31: "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

Psalm 27:14 says, "Wait for the Lord; be strong and let your heart take courage; wait for the Lord!"

Psalm 130:5 reads, "I wait for the Lord, my soul waits, and in his word I hope"

## [Verse 1]

When the world is heavy and my heart feels low,  
I turn my eyes upward, where the spirit will  
flow.

Focus on the Lord, let His light shine bright,  
In His holy word, I find my guiding light.

What does His word say?

It brings peace to my soul,

Teaching me how to live, making me whole.

With every step I take, I strive to find the way,  
To walk in His love, each and every day.

## [Chorus]

While I am waiting for the Lord  
to move in my own life,

Move us in the direction

You have planned for our life.

You know what is best for us,  
that much is true,

Help us be content and grateful  
for each day brand new.

## [Verse 2]

Serve others, lift them up,  
show them love and grace,

See the needs they have,  
put a smile on their face.

It's not about me, it's about all of us,

In the kindness we share, we place our trust.

To lift someone higher,

to help them see the good,

In every little action, we do what we should.

Together we can rest, as we walk hand in hand,

In unity and love, we make a stronger stand.

## [Chorus]

While I am waiting for the Lord  
to move in my own life,

Move us in the direction

You have planned for our life.

You know what is best for us,  
that much is true,

Help us be content and grateful  
for each day brand new.

## [Verse 3]

Trust that the Lord will guide you on your way,  
In every trial and challenge, just remember to pray.  
Continue to do what is right, shine His love so bright,  
For He is the God of the universe, our source of light.

With faith as our anchor, we can weather the storm,  
His promises surround us, keep our hearts warm.

In every situation, let His wisdom flow,  
We're learning to be patient, as His goodness will  
show.

## [Chorus]

While I am waiting for the Lord  
to move in my own life,

Move us in the direction

You have planned for our life.

You know what is best for us,  
that much is true,

Help us be content and grateful  
for each day brand new.

## [Outro]

Focused on the Lord, serving both near and far,  
With faith in our hearts, we know just who we are.

A people united in love, shining bright,  
Guided by His light, we'll walk in faith and might.
