

Why?

As I continue to work on posting my songs, satan is attacking left and right. I cried so hard today it made my head hurt, which is the last thing I need with my brain injury. So I prayed even more, which only made matters worst. Then I went back to the yucky woo commerce and difficult things with stripe. I don't own a cell phone so I could not sign up. Discriminated against again because I don't own a cell phone. Then there are the hidden fees. Then there was the API codes, 3 different companies had to be called to get that in place. Its just one jump rope game after another. Not fun. Then the internet speed like 50 instead of 300 promised oh, then add to that, they raised the price again 20.00 a month! Really for what bad service and services we don't use? Then I had to update my site, I looked threw over 300 themes to find a theme that would work for woo commerce and even after I changed it, I could not get it to work. I would look up free woo, and all the high price themes came up. really? What a waste of time and effort. I know that the bad one does not want my music on line. But too bad. I am intentionally going to share the good news of Gods love with others.

But WHY does it have to be so hard?

Zechariah 7:9-10

“This is what the LORD of Hosts says: ‘Administer true justice. Show loving devotion and compassion to one another. / Do not oppress the widow or the fatherless, the foreigner or the poor.

And do not plot evil in your hearts against one another.’

Amos 5:14-15

Seek good, not evil, so that you may live. And the LORD, the God of Hosts, will be with you, as you have claimed. / Hate evil and love good; establish justice in the gate.

Perhaps the LORD, the God of Hosts, will be gracious to the remnant of Joseph.”

Jeremiah 22:3

This is what the LORD says: Administer justice and righteousness. Rescue the victim of robbery from the hand of his oppressor. Do no wrong or violence to the foreigner, the fatherless, or the widow. Do not shed innocent blood in this place.

Isaiah 5:20

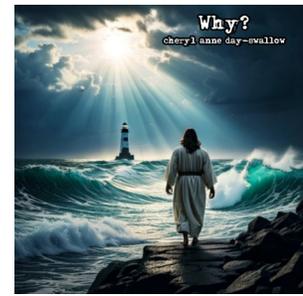

Woe to those who call evil good and good evil, who turn darkness to light and light to darkness, who replace bitter with sweet and sweet with bitter.

Isaiah 59:14-15

So justice is turned away, and righteousness stands at a distance. For truth has stumbled in the public square, and honesty cannot enter. / Truth is missing, and whoever turns from evil becomes prey. The LORD looked and was displeased that there was no justice.

Why?

[Verse 1]

Why does it feel like
we are lost in a maze?
With every turn we make,
we're caught in a haze,
Life is pulling us down,
like weights on our soul,
While satan whispers softly,
'Let chaos take control.'

[Chorus]

Why is everything harder
than it needs to be?
In a world full of pain,
why can't we all feel free?
Jesus, please guide us
through the stormy sea,
Showing us grace,
while helping others to believe.

[Verse 2]

Why are people so cruel,
spreading their hate?
They need to feel good, yet it
only brings pain.
Their looks and their comments,
they stab at the heart,
They keep hurting each other,
it's tearing us apart.

[Chorus]

Why is everything harder
than it needs to be?
In a world full of pain,
why can't we all feel free?
Jesus, please guide us
through the stormy sea,
Showing us grace,
while helping others to believe.

[Verse 3]

Why do companies lie,
rising prices so high?
Ripping off our country as we all
struggle to get by.
Everyday items laced
with greed and deceit,
The truth hidden deep,
the deals made on wall street.

[Chorus]

Why is everything harder
than it needs to be?
In a world full of pain,
why can't we all feel free?
Jesus, please guide us
through the stormy sea,
Showing us grace,
while helping others to believe.

[Outro]

So when the dark whispers,
and trouble takes flight,
Remember the Savior,
who's our beacon of light.
Life may be hard,
but together we'll stand
Finding comfort and kindness
Reclaiming this land.

[Chorus]

Why is everything harder
than it needs to be?
In a world full of pain,
why can't we all feel free?
Jesus, please guide us
through the stormy sea,
Showing us grace,
while helping others to believe.

Jesus, please guide us
through the stormy sea,
Showing us grace,
while helping others to believe.
