I have been trying to focus on all the good things provided to me by the Lord.

Its been a long hard wait on moving. BUT..

I have a nice family, I have a nice church family, I have a nice husband, I have nice friends, I have a nice home. I have so much to be thankful for and I would like to take time to thank the Lord in song.

I want to sing.

Psalms 96:1

Sing to the Lord a new song; sing to the Lord,
all the earth.

Psalms 103:2

Let all that I am praise the LORD;
may I never forget the good things he does for me.

Psalms 106:1

Praise the Lord. Give thanks to the Lord,
for he is good; his love endures forever.

Psalms 150:6

Let everything that has breath praise the Lord.
Praise the Lord.

I Want To Sing

[Verse 1]

In the morning light, I will lift up my voice,
In harmony with the world, let us all rejoice
With every heartbeat we are given
we are part of His plan
A melody of love, while raising up our hands.
With a spirit so lifted, and heart full of cheer,
I sing a song of hope, for all the world to hear.

[Chorus]

I want to sing about His glory,
I want to sing about His grace
In every note, there is a story,
We all have our place
More than anything else,
I thank you for your Son.
For everything in my life —
and all that He has done

[Verse 2]

The holiday season, with its warmth and light,
Fills my heart with gratitude,
which is shining so bright.
Through the trials and the tears,
He has been my guide,
With every step I take, He walks by my side.
In every whispered prayer, in every gentle sigh,
I'm reminded of His love, that will never die.

[Chorus]

I want to sing about His glory,
I want to sing about His grace
In every note, there is a story,
We all have our place
More than anything else,
I thank you for your Son.
For everything in my life —
and all that He has done

[Bridge]

As the stars light up the heavens
I don't feel alone
I find my place in this world,
with my heart felt song.
So let the church bells ring,
let all the angels sing,
For the gift of His love,
it's been the greatest thing

In every loving gesture, in every embrace,
I see the reflection of His beautiful face
All across this land, let our voices unite,
Singing praises and thanksgiving, into the night.

[Verse 3]

For the hope that He brings,
for the life that He gave,
I carry His love with me,
it's the path that He's paved.
In the quiet moments,
and on that path that we are on,
I invite you to join me, in this heartfelt song.
Let's raise our voices high, let our spirits soar,
For more than anything else,
let's thank Him evermore.

[Chorus]

I want to sing about His glory,
I want to sing about His grace
In every note, there is a story,
We all have our place
More than anything else,
I thank you for your Son.
For everything in my life —
and all that He has done

I want to sing about His glory,
I want to sing about His grace
In every note, there is a story,
We all have our place
More than anything else,
I thank you for your Son.
For everything in my life
and all that He has done

For everything in my life
and all that He has done
