This world seems like its falling apart. People including Christians are not doing what God is asking us to do. Shame on us.

Are we just like everyone else? No !

If your saying, acting, or doing bad things, please stop. This includes being rude on facebook. Its ok, to have options, but be kind when sharing.

If you think your option is the only one that is right or matters, that is bad thinking.

And don't judge people, you are not God.

Come on people, get with it, be humble and kind. Before its to late.

Nothing in this world, gold or silver or money is worthy your soul.

If you're a Christian, then you should.. Be the example for this hurting world.

John 13:34-35:

"A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another.

By this all men will know that you are my disciples if you have love for one another."

1 Corinthians 13:5:

"Love does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs"

Proverbs 22:4

"By humility and the fear of the LORD are riches and honor and life."

[Verse 1]

In a world that spins for silver and gold,
We often forget what's gentle and old.
Focus on others, their burdens and dreams,
Don't worry 'bout earthly things, or so it seems.
When the sun sets our worries fall away,
A heart full of love is the price that we pay.
Don't store up treasures where moths can destroy,
But invest in the moments that bring us pure joy.

[Chorus]

Grateful for God's gift to us,
Let love overflow and begin to trust.
Be humble, be kind, let kindness unfurl,
Be the example for this hurting world.

[Verse 2]

What do they need, these souls passing by?
A listening heart, or a shoulder to cry?
When we serve others, we mirror His grace,
In the small acts of love, His truth we embrace.
Consider their burdens, feel their heart's plea,
How can we help them? What can we be?
Lift them in spirit, with words that uplift,
In serving each other, we find the real gift.

[Chorus] x2

Grateful for God's gift to us,
Let love overflow and begin to trust.
Be humble, be kind, let kindness unfurl,
Be the example for this hurting world.
