As Jim and I prepare to move, in hopes to help improve my health and relieve stress on both of us. So much to consider, pray about, move about, the list never ends.

We prayed
We prepared
Now we hope to proceed.

Each day we work on whatever God shows us that needs to be done, completed, cleaned, moved, given away. Its never ending, but coming along nicely.

As we move along I wonder what God has in store. First we had a home, now we don't, but we might still. So much is up in the air. We try to stay positive, happy and believe that God has our best in mind. Some don't agree with how we are moving, but it is not their journey its ours. So it should not matter, as long as we are doing Gods will.

I pray we will continue to follow God's leading even if at this time is seems unclear. I believe HE already showed us where HE wants us and can use us to bless others as we live out our life's here on earth.

Psalm 25:4-5 (NKJV)

4 Show me Your ways, O LORD; Teach me Your paths.

5 Lead me in Your truth and teach me, For You are the God of my salvation; On You I wait all the day.

Psalm 143:10 (NIV)

10 Teach me to do your will, for you are my God; may your good Spirit lead me on level ground.
